

Year 5 Autumn Term Homework

Dear Parents/Carers,

Below are nine optional learning tasks for your children to complete across the term. The activities are linked to some of the learning which will be happening this term. We welcome any completed tasks to be brought in on Mondays so we can celebrate and share with the other children in class. Every task completed will earn 2 Dojo points. If all tasks are completed, a bonus of 5 points will be awarded.

Numeracy

Create a space scene using only 2D shapes.

Moon diary

Keep a diary about the moons that you see each night. See attached sheet to help you record your findings.

Reading

Choose a book from the top 100 to read.

Fact file

Create a fact file about a planet of your choice

National Poetry day - Thursday 3rd October

Learn a poem off by heart

Be prepared to perform it to the class!

World Animal day - Friday 4th October

Research your favourite animal and present information in an interesting way.

E.G

- *Power point*
- *Create a 3D model*
- *Poster*

World smile day - Sunday 6th October

Create 'Smile postcards' which you can give to people to make them smile.

These can include:

- *Jokes*
- *Positive comments*
- *Stories*

Repurpose recycling

As it is recycling week towards the end of October, we would like you to upcycle and repurpose some of your recycling.

Landscape

Use a shoe box or something similar to create a Mars landscape.
