

Overview of PE at AO, and the positive impact that the sports funding is having.

Intent: At Ashford Oaks we provide engaging PE lessons that show clear differentiation over the course of each topic in order to suit the needs of each child. Children are exposed to a wide range of sporting activities throughout the year and are beginning to have more of a say on the types of activities that they would like to cover. Our PE curriculum offers a wide range of topics, exposing our children to new skills and challenges. We are fully committed to ensuring that children are given 100+ minutes of PE a week. We attend a local private school for swimming lessons, giving our children the best opportunity to become confident swimmers.

Impact: PE and Sports at Ashford Oaks has continued to grow in stature year on year. Competitions have been well attended and success has been achieved across the year in a number of sports, with children taking great pride when representing the school. After School Sports Clubs have been extremely popular, with the demand for more being clear in our recent pupil voice survey. Outside Agencies have been used to provide additional after school clubs, giving children a chance to attend a number of different sporting clubs. Parental support with children taking part in competitions is excellent and transport is provided to those who are unable to get to the relevant places to take part in competitions. Move & Groove still continues to be a huge part of a weekly routine and therefore will be continuing this year. Move and Groove is a whole school initiative, that allows children and adults to come together, enabling pupils across the school to start the day positively.

Total Allocation: £19,490

Last Updated: June 25th 2024

Total Spent So Far: £13,160

AO Focus:	Action:	Provisional Fund: Money Spent:	Evidence and EOY Impact	Review/Sustainability
1: To raise the profile of PESSPA across the school				
<ul style="list-style-type: none"> • Provide an engaging curriculum. • Create local links to schools and sporting centres. • Use staff members who specialise in certain areas of sport to lead 	<ul style="list-style-type: none"> • Complete a broad PE curriculum, covering multiple topics. Buy equipment to ensure all topics are well equipped. • Contact local schools to arrange school fixtures • Complete relevant paperwork for trips to local sports centres. • Maximise PE lessons by using staff members to lead in specialised topics 	<p>£1500 £1300</p>	<p>Ashford Oaks have provided a broad PE curriculum, covering a range of topics allowing children to thrive in different areas of PE. Communication has been used to good effect with a number of sporting events and fixtures being completed across the year. AO staff have supported in the delivery of the PE lessons, with MB being a huge support in the delivery of Move and Groove.</p>	<p>Over the course of the year, Ashford Oaks pupils have followed a broad curriculum. We are looking into following a new scheme of work (PE Passport) which should allow the curriculum to widen further next year, as well as offering CPD opportunities to staff. Relevant paperwork and communication has been completed and used successfully throughout the year. Opportunities have been enhanced for a range of children to take part in sporting activities. Staff have lead sporting lessons and activities throughout the year. IAMFIT comes into the school to deliver dance lessons to staff members and year 6 children, which in turn is then rolled out to the whole school on a weekly basis.</p>

2: Wider range of sporting activities on offer to pupils

<ul style="list-style-type: none"> • Introduce new topics to the AO curriculum. • Offer a wide range of After School Clubs • Provide equipment for breakfast and after school clubs to use 	<ul style="list-style-type: none"> • Select new topics to include in the PE Coverage • Liaise with staff to arrange the leading of after school clubs. • Contact outside agencies to lead multiple after school clubs • Liaise with staff running after school and breakfast clubs before ordering new sports equipment 	<p>£7500 £10000</p>	<p>New topics have been introduced with children using archery and golf sets that the school have recent purchased. Outside Agencies Venture Sports (Gymnastics), BFFA (Football) & Kickstart Sports (Multi Sports) have delivered after school clubs throughout the year. Equipment has been purchased, that both Breakfast and After school club have had access to.</p>	<p>New equipment was purchased at the start of year, allowing the new topics to taught. A number of outside agencies have helped in the delivery of after school sport clubs. Children have carried out dodgeball, netball, football, multi sports, dancing and gymnastic clubs through outside agencies or staff members. Clubs have been well sought after with a majority of clubs having a waiting list to join. Relationships have been formed with all the outside agencies with confirmation to continue next year already being agreed. After Oaks and Breakfast club have used a variety of equipment allowing children to start and finish the day being active.</p>

4: Increased participation in competitive sports

<ul style="list-style-type: none"> • Sign up to local school leagues. • Sign up to multiple school games competitions 	<ul style="list-style-type: none"> • Sign paperwork to join football and netball league. • Sign paperwork to join multiple school game competitions 	<p>£1000 £360</p>	<p>Paperwork has been completed. AO have attended a number of sporting events and fulfilled fixtures in both the netball and football league.</p>	<p>AO have competed in both netball and football leagues, playing over 10 fixtures in each league. AO have taken part in a range of sporting events, varying from cricket, athletics, netball and football. With the school minibuses being used as transport, AO have been able to attend a larger number of sporting events compared to previous years.</p>
-----------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------	---------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

In summary, a large amount of the sports funding has been spent on providing extra-curricular after school clubs and whole school incentives, such as swimming and move & groove. Equipment has been upgraded or replenished when needed and sporting events have been entered with the use of sports funding. We have purchased a new scheme of work (PE Passport), which will further enhance the quality of learning from teaching staff and provide an improved assessment tool. Talks are ongoing on how to spend the remaining funds on improving our outdoor area.
